Add pet

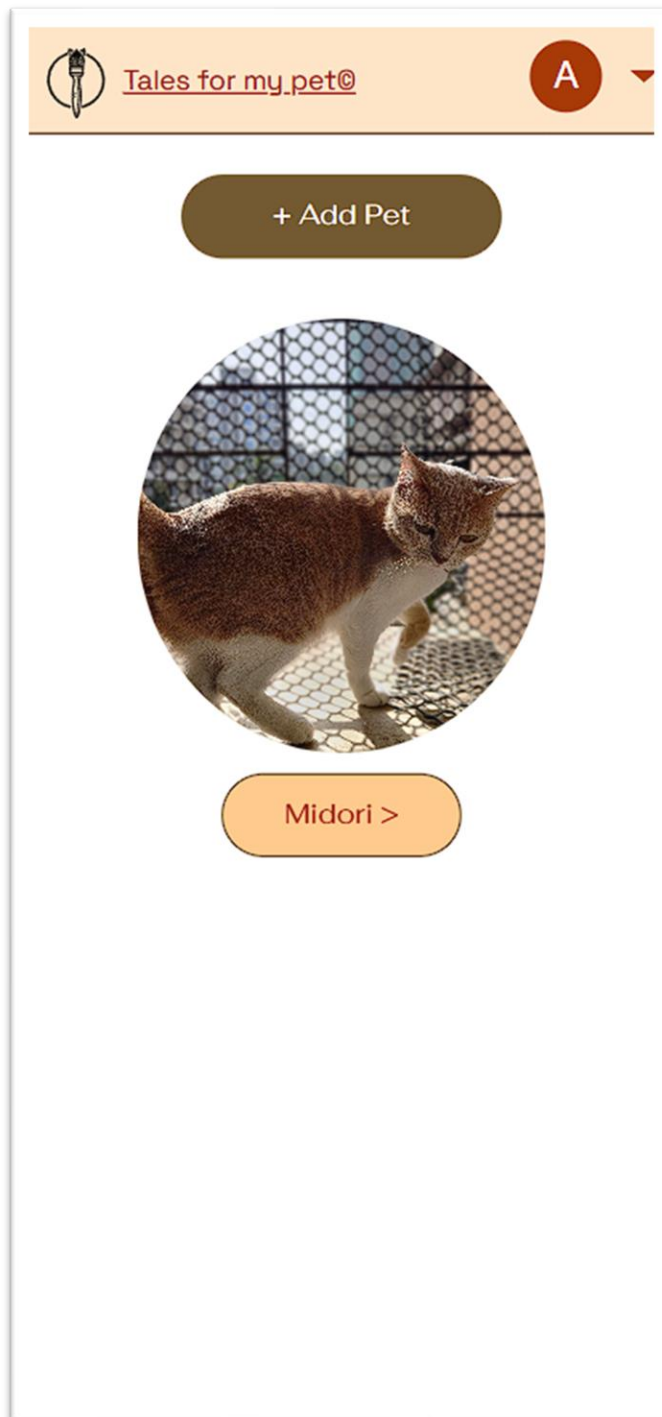

Provide your pet's name – preferably a single word name

Choose whether your pet is a dog or a cat and whether it's a he or a she

While adding a pet, provide 8-15 good photos of your pet from all directions and in different poses.
For example:

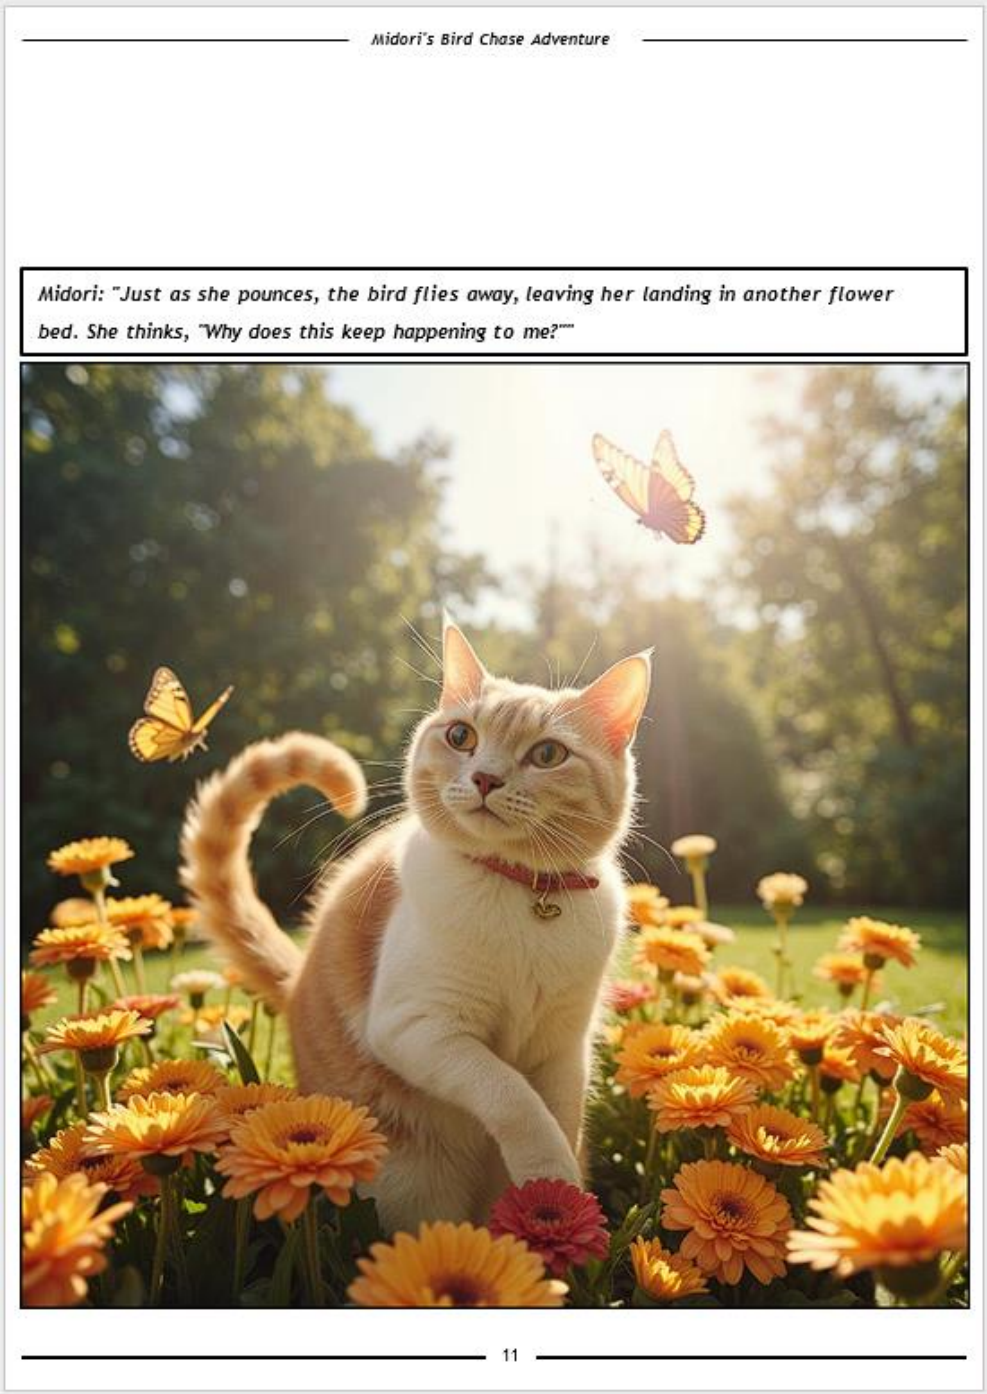

Once you've added your pet, click on the pet and then to go "Add Comic"

Then choose the story style and the story length, pay and order a comic.

Soon, a cute comic featuring your furry friend gets delivered to your email!

Sample page from comic featuring a generated image of your pet:

Notice the how an exact copy of your pet is generated!
